SECTION IX.—POSTAL DIRECTORY.

LIST OF POST TOWNS IN SCOTLAND,
INCLUDING ORKNEY AND SHETLAND.

EXPLANATIONS.

When in the subjoined list one place only is mentioned, it is a Head Office, and when there are *two*, the first is a Sub-Office, and the second is the Head Office to which the first is subordinate.

With some exceptions, all Head Offices are Money Order Offices, but sometimes there is a Money Order Office nearer to the Sub-Office than is the Head Office. In these cases such Money Order Office is added as a *third* name, for the information of any person who may wish to remit money to the neighbourhood.

As regards *Town Receiving* Offices, those only are entered at which Money Order business is transacted; and these will be found under the names of their respective Head Offices.

Offices at which both Money Order and Savings Bank business is transacted, are marked thus (a), and those which are Money Order Offices but not Savings Banks thus (c). Those marked thus (b) are insurance and annuity offices.

The last word in the Address of every letter, &c., should be the name of the town to which, or near to which the letter is sent; except when the Post-Office at that town is only a Sub-Office, in which case the Head Office to which this Office is subordinate must be added; and except also that where there are two Post Towns of the same name, the county must be given.

Inland Postage Regulations.

LETTER POSTAGE.

The rate of postage on all inland letters is regulated by weight, irrespective of distance, and (with the exceptions afterwards mentioned) is as follows, if paid in advance :—

Letter weighing not more than $\frac{1}{2}$ oz.	1d
" " more than $\frac{1}{2}$ oz., but not exceeding 1 oz.	1 $\frac{1}{2}$ oz.	...	2d
" " more than 1 oz., "	"	"	2 oz.	...	3d
" " more than 1 $\frac{1}{2}$ oz., "	"	"	2 $\frac{1}{2}$ oz.	...	4d
" " more than 2 oz., "	"	"	3 oz.	...	5d

and so on, one penny being charged for every additional half-ounce.

As a general rule, the postage, if not paid in advance, is double the foregoing; and, if the payment in advance be insufficient, double the deficiency is charged.

No letter or packet must exceed 24 inches in length, or one foot in breadth and depth. The only exceptions to these regulations are in the case of—1. Addresses to Her Majesty; 2. Petitions to either House of Parliament, forwarded to any member of such House without cover, or in covers open at the ends; 3. Printed Parliamentary proceedings; 4. Letters or packets to or from public departments or public officers in Her Majesty's Service; 5. Letters, &c., to or from certain places abroad.

If the Stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rate.

A Stamp which has been cut from an envelope and affixed to a letter entitles it to pass free of charge.

Re-directed letters are charged an additional postage for each re-direction, according to the Prepaid Scale.

When the value of Stamps on a letter is less than the amount of the postage to which it is liable, the letter will be charged double the amount of such difference on delivery.

All persons sending letters by the post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the Act 1st Victoria, cap. 36, sec. 2, any person illegally conveying

Letters, incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

PERIODICAL PUBLICATIONS, INCLUDING NEWSPAPERS.

Periodical Publications, including Newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to Newspapers), may be transmitted or re-transmitted through the post within the United Kingdom, free of postage, under the following regulations, viz. :—

They are subject to the same restrictions, with regard to the number of sheets and superficial extent, as were lately applicable only to Newspapers, properly so called. These restrictions are shown in the following table :—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum Superficial Extent of Letterpress on one side.
One Penny.....	Two.	2,295 inches.
Three Halfpence.....	Three.	3,443 "
Twopence.....	Four.	4,591 "

The impressed stamp on each publication must be at least of the value of one penny.

The title and date must be printed at the top of every page.

The publication must be folded so that the whole of the stamp or stamps denoting the full duty shall be exposed to view; and when, in the same cover, there are more than two, it will be sufficient if they are so arranged as readily to admit of examination.

The publication must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it as a back or cover thereto, or otherwise.

It must be posted within fifteen days from the date of publication.

It must either have no cover, or a cover open at the ends.

It must contain no enclosure.

No mark or writing is allowed but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and printed name and address of the publisher or vendor who sends it. For any breach of this rule 2d is charged.

If addressed to any one within the free delivery of the place where it is posted, a postage stamp (1d) must be affixed, otherwise it will be charged 2d on delivery.

Unstamped publications, or stamped publications, which have been issued more than fifteen days, can be forwarded within the United Kingdom and to the colonies, under the regulations of the Book Post.

Newspapers and other periodicals, published in the Island of Guernsey, Jersey, Alderney, Sark, Isle of Man, will be subject to the same regulations as those which are published in other parts of the United Kingdom.

REGISTRATION OF LETTERS, &c.

Any Packet sent by post may be registered, with a few exceptions. The fee for registration is fourpence, which, as well as the postage, must be pre-paid in stamps. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it from its receipt to its delivery.

All Inland letters which contain enclosures of coin are treated as registered, and if posted without registration are charged on delivery with a double registration fee of eightpence.

INLAND BOOK POSTAGE.

	Not above 4 oz.	...	1d
Above 4 oz.	...	8 oz.	2d
... 8 oz.	...	12 oz.	3d
... 12 oz.	...	16 oz.	4d

and so on, increasing 1d for every additional 4 oz.

No Book Packet must exceed two feet in length, or one foot in width or depth.

CONDITIONS ON WHICH BOOKS ARE FORWARDED AT THE
ABOVE RATES.

The postage must be fully prepaid, by means of postage stamps affixed.

Every packet must either have no cover, or a cover open at the ends. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate (1d), it is forwarded, charged with the deficient book postage, together with an additional rate of a penny; but any packet which bears no postage stamp is charged with double the book postage.

INLAND PATTERN AND SAMPLE POST.

For a packet of patterns or samples,	Not above 4 oz.	...	2d
Above 4 oz,	" 8 oz.	...	4d
" 8 oz.	" 12 oz.	...	6d
" 12 oz.	" 16 oz.	...	8d
" 16 oz.	" 20 oz.	...	10d
" 20 oz.	" 24 oz.	...	1s

The Postage must be prepaid by means of postage stamps.

No packet must exceed two feet in length or one foot in width and depth, or 24 oz. in weight.

There must be no writing or printing, other than the name of the person for whom the packet is intended, the address of the sender, a trade mark, numbers, and the prices of the articles.

The Patterns must be sent in covers open at the ends. Samples, however, of seeds, drugs, &c., may be enclosed in boxes, or bags of linen or other materials, fastened so as to be readily opened.

If a packet of patterns or samples be posted altogether unpaid, it will be charged with double postage, and if insufficiently prepaid, it will be charged with the amount of the deficiency, and an additional rate of twopence.

Patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign postage to such places as are marked with the letter P.

A packet of Patterns sent to Portugal, Maderia, the Azores, Cape de Verde, France, or Turkey, Syria, or Egypt, by French Packet, must not exceed 18 inches in length, width, or depth, and a packet sent to any of the other countries must not exceed 24 inches in length, or 12 inches in width or depth.

A packet of Patterns sent to Germany, Russia, or Belgium must not exceed 8 ounces in weight.

G.U.—According to the regulations of the German Customs' Union, no Letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other inclosures than paper, can be allowed to circulate by the post. Any Letters, then, forwarded in the Mail to Prussia above that weight, and containing any other inclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped and sent to the Custom House for delivery as *freight*.

Non-commissioned officers, private soldiers, or seamen serving abroad, can send and receive letters for a postage of 1d., provided the letter weigh not more than half an ounce, the postage be prepaid, and the direction distinctly specify the rank or class of the soldier or seaman, and the ship or regiment to which he belongs, but if any such letters have to pass through a Foreign Country, they are subject, in addition, to a foreign rate of postage.

Letters to or from a Commissioned Officer (in the Navy or the Royal Marines) or a Warrant Officer (viz., Assistant Engineer, Gunner, Boatswain, or Carpenter), serving abroad, are subject to a uniform British rate of 6d per $\frac{1}{2}$ oz. each, which must be prepaid, and when such letters have to pass through a Foreign Country, they are subject to a foreign postage in addition.

Letters to or from Australia, New Zealand, posted wholly unpaid or paid less than one rate, are detained, and returned to the writers for postage, but those on which one rate (although not the whole postage) has been paid by stamps, are forwarded charged with the deficient postage and a fine of 6d.

At the same rate of postage, pamphlets, even though they are not periodicals, may be sent to the United States, California, and Oregon, if not exceeding 8 oz. This is only the British postage, a further sum being charged on delivery. Other printed books to those places are liable to Letter Rate of Postage. There must be no writing upon such pamphlets, except the names and addresses of the persons to whom they are sent.

Certain Postmasters in England and Wales are permitted, though not compelled, to purchase postage stamps from the public, provided the stamps be not soiled or otherwise damaged, at a charge of $2\frac{1}{2}$ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement, the payments are as follows:—

PRINCIPAL RULES OF THE GOVERNMENT INSURANCE AND ANNUITY OFFICE.

1. The Postmaster-General is empowered, under the Act 27 & 28 Victoria, cap. 43, to ensure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

2. Certain Post Offices (the names of which may be obtained at any Post Office) have been opened for the receipt of proposals for the Insurance of Lives and the Purchase of Annuities, and forms of proposal, with full instructions for filling up and delivering these forms, may be obtained at these Post Offices.

3. Tables of the premiums to be charged for the Insurance of Lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money, have been printed, and may be seen at the Post Offices which have been opened for the receipt of proposals. These Tables may also be obtained of Messrs Eyre and Spottiswoode, London. The price of the Tables for the Insurance of Lives and the grant of Annuities without return of purchase money is 3d. The price of the Tables for the grant of Annuities with return of purchase money is 2d. If sent by post, 5d. is charged in the one case, and 3d in the other.

4. The Premiums to be charged for the Insurance of Lives vary with the ages of the persons whose lives are to be insured, and with the mode in which they are to be paid.

The Life of a Man or Woman in his or her 30th year may be insured for £100—

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

5. No one life can be insured for less than £20 in the whole; but when a life has been insured for £20, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

6. If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue, such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

7. The sums to be charged for the purchase of Immediate Annuities will vary with the age and sex of the person on whose life the Annuity is to depend:—

	£	s.	d.
A Man aged 65 can purchase an Immediate Annuity, of £10, payable half-yearly, for.....	88	18	4
A Woman of the same age can purchase a like Annuity for.....	103	16	8
A Man aged 70 can purchase an Immediate Annuity of £10, payable half-yearly for.....	73	3	4
A Woman of the same age can purchase a like Annuity for.....	84	19	2

8. The sums to be charged for the purchase of Deferred Annuities, or Deferred Monthly Allowances, will vary with the age and sex of the person on whose life the Annuity or Monthly Allowance is to depend; and with the length of the term for which the Annuity is deferred, (or, in other words, with the number of years which are to pass before the commencement of the Annuity), and with the conditions of the contract as to the mode of purchase, mode of payment, and return or non-return of purchase money.

When the condition of the contract is to be that no part of the purchase money shall, in any event be returned—

	£	s.	d.
A man aged 30 may purchase a Deferred Annuity of £10, to commence on his reaching the age of 60 and to be payable half-yearly, either by an immediate payment of	24	3	4
or,			
By an annual payment, until he reaches the age of 60, of.....	1	8	4
A Woman of like age may purchase a like Annuity by an immediate payment of	32	8	4
or,			
An Annual payment, up to 60, of.....	1	17	6;

and a man aged 30 may purchase a Deferred Allowance of £2 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s per month, purchase a Deferred Allowance of £1 16s. 7d., to commence when she reaches the age of 60.

When the condition of the contract is to be that, in the event of the death of the person on whose life the Annuity or Allowance is to depend before the commencement of the Annuity or Allowance, the purchase money is to be returned to his representatives, and that if the purchaser at any time before the commencement of the Annuity or Allowance is unable to continue, or wishes to discontinue, the purchase, the purchase money shall be re-

turned to him; the price charged will be higher than when no such condition is made.

Under this condition, a man aged 30 may purchase £ s. d.
 a Deferred Annuity of £10, to commence when
 he attains to 60 years of age, and to be payable
 half-yearly, either by an immediate payment of 40 9 2

or,

By an annual payment, until he attains to 60 years, of 2 0 10

And a Woman of like age may purchase a like Annuity, either by an immediate payment of..... 47 0 10

or,

By an annual payment of..... 2 7 6;

and a Man aged 30 may purchase an Allowance of £1 14s. 2d. per month, to commence when he attains the age of 60 years, by a monthly payment of 8s.; and a Woman of like age, by a like payment, until she reaches the age of 60 years, may purchase an Allowance of £1 9s. 4d. per month.

9. The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4 3s. 4d. per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

10. Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4 3s. 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

11. Persons contracting for the insurance of their Lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the Post Offices, which have been or may hereafter be opened for the purpose, as will suit them best.

12. Persons proposing to effect Insurances on their Lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the Insurance of their Lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide, at their own cost, such certificates of birth or baptism, or other evidence of age as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

A. Post Office Savings Banks are established at all Money Order Offices in the United Kingdom, and are open for the receipt and payment of money daily during the hours appointed for Money Order business.

At these Banks deposits of One Shilling, or any number of Shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2 10s. per cent. per annum (which is at the rate of Sixpence in the Pound for each year, or at the rate of One Halfpenny on each complete Pound for each month, reckoning from the first day of the Calendar month next following the day on which a complete Pound has been deposited, up to the last day of the Calendar month preceding the day on which the money is withdrawn) is allowed until the Sum due to a Depositor amounts to £200, when interest ceases to be allowed. The interest due to each Depositor is added to the principal due to him on the 31st December in each year.

B. Every deposit in a Post Office Savings Bank must be immediately entered by the Postmaster, or other person receiving it, in a book, which book is to be kept by the Depositor, and the Postmaster or other person receiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the Depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the Depositor within the three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland the acknowledgment should reach the Depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the Depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the Depositor's book, the Depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

C. Once in each year, on the anniversary of the day on which the first deposit was made by him, the Depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

D. When a Depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal.

E. A Depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post Office Bank at Aberdeen, he may make further deposits at, or withdraw his money from the Post Office Bank at Aberdeen, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

F. No charge will be made to Depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application Postage Stamps to the value of 1s. to pay for the new book. If a Depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

G. No charge for Postage will be made on the Depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department.

H. The Postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any Depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his Officers as are appointed to assist in carrying on the business of the Post Office Banks.

I. A full statement of the Regulations of the Post Office Banks may be seen in the "British Postal Guide," and at any Post Office Bank; where also information may be obtained with regard to the Rules affecting—

- (A.) The deposits made by Trustees on behalf of another person.
- (B.) The deposits of Minors.
- (C.) The deposits of Married Women.
- (D.) The deposits of Friendly or Charitable or Provident Societies or Penny Banks.
- (E.) The repayment of the deposits of deceased Depositors to their representatives.
- (F.) The repayment of the deposits of Depositors who have become insane, or who are, from other causes, unable to act for themselves.

IN addition to the ordinary business transacted by Fire and Life Assurance Associations, this Society is specially authorized by its Act of Parliament to Guarantee Officials in every Department under Government, and is the ONLY SOCIETY whose Guarantee Policies are accepted by Government.

Every description of LIFE ASSURANCE is transacted by the Society at Moderate Rates, with or without participation in Profits.

THE COMBINATION OF GUARANTEE WITH LIFE ASSURANCE, which is a feature introduced by this Society, affords important advantages to the Assured, as considerable reductions are made on the Guarantee Premiums (in some cases equal to the whole Annual Payment), depending upon the relative amounts of the Life and Guarantee Risks.

ANNUITIES are granted by the Society, either as Immediate, Deferred, or Reversionary, upon liberal terms. The following will show the *Immediate* Annuity granted for every £100, at the respective ages :—

Prospectuses, and all necessary information, may be obtained of the Secretary, 19 Birchen Lane, Cornhill, London, or any of the Society's agents.

THIS Society was the first Public Company established in Great Britain to obviate the inconveniences and defects of Suretyship by private Bondsmen, and its security is accepted by the Banks of England and Ireland, and most of the Public Companies, Bankers, Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory sureties ; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly payment, to make good to the employer *any loss by the fraud or dishonesty* of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of private friends.

Employers, by the existence of this Society, are assured of the continued solvency of the surety of the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

Rates from 10s. per centum per annum and upwards, according to the nature of the employment, or the amount of the Security required.

No Charge is made for Stamp Duty, except in special cases; the usual legal expenses of Surety Bonds will therefore be avoided by persons who enter on their respective duties under the Guarantee of this Society.

A reduction is made in the Premium on the Sixth Annual Payment.
